*****NOTE: Prices are subject to change at any point and are not guaranteed until 30 days before your event.**

*****Prices listed are only food costs. Additional staff and onsite service costs, our admin fee and taxes have not yet been applied**

Step 1: Service Styles

Buffet Dinner

Upscale Buffet with a backyard feel. Buffet style dinners allow your guests to customize their meal by choosing from a selection of offerings in buffet format, while our team individually plates each meal. This is our most popular service style at Meatings Barbecue and catering, as it is the perfect combination of casual yet formal dining.

Family Style Dinner Service

Our family style dinner service allows your guests to enjoy their meal just as they would at the family dinner table. Large platters and bowls are served to each table for guests to help themselves to their meal and transfer it onto their own plates.

Cocktail Reception

Cocktail Receptions are great for events without formal seating! You can choose from a mixture of the following options to create the perfect menu for your type of event or wedding!

Passed Hors d'Oeuvres

A cocktail reception is often designed to allow guests to mix and mingle while enjoying sample sized treats that are circulated around the room and brought to their fingertips.

Grazing Stations

Beautifully crafted Grazing Stations (Hors D'oeuvres, Charcuterie, Artisan cheese, fruits, veggies, assorted pickled garnishes, dips, artisan breads and crackers) promotes a social atmosphere while your guests can casually help themselves to (min 50 person)

****Please ask your Coordinator for station suggestions and ideal menu options!**

'Meatings' Places (Chef Served Stations)

This interactive experience features Meatings Chef's personally serving handcrafted menu selections to your guests, with customization options and a great opportunity to learn about our food preparations and flavour pairings.

*****NOTE: Prices are subject to change at any point and are not guaranteed until 30 days before your event.**
